## Player Questions:

- **What can I expect when I get there?**

There will be a check-in station in the lobby area. At that time you can check in, purchase VIP Passes, and get raffle tickets. You will want to allow time to view the silent auction items, participate in the putting contest, hit the driving range, and enjoy a pre-tournament buffet lunch. If you requested rental clubs, they will be already on your assigned cart in the back. If you brought your own clubs, please be sure to drop those off out front with the valet staff.

- **Are meals included?**

Lunch is provided, as well as heavy appetizers post-tournament. You won't leave hungry!

- **Are drinks included?**

Drinks are included for registered players during the event, both on the course and in the clubhouse. For volunteers, a limited number of drink tickets will be made available.

- **What additional purchases should I be prepared for?**

In an effort to enjoy the day without being asked for donations and money at every turn, Telecom For Change has put together an all-inclusive VIP Pass that can be purchased across in the lobby at check-in. (There may be an exception for the Golf Air Cannon. Yeah... it's as cool as it sounds!) Additionally there will be both silent and live auction items for purchase, with all proceeds being donated to Operation Once in a Lifetime.
